

# Engineering Governing Council

*The legislative body representing the students  
of the School of Engineering at Rutgers University.*

**EGC09F02**

**Author:** Rutgers Engineering Pi Club

**Sponsor:** Society Affairs Committee

## **Bill to recognize name change of Rutgers Engineering Pi Club to Rutgers University Science, Math, and Engineering Outreach**

**Whereas,** the Engineering Governing Council (EGC) is the governing body responsible for overseeing and supporting the societies relating to the School of Engineering; and

**Whereas,** the Rutgers Engineering Pi Club (REPC) is a society that allows its members to go beyond their horizons and reach out into the community so as to promote engineering awareness through independent projects, competitions, high school visits, community service, and invitation of guest speakers; and

**Whereas,** REPC's goal is to create a social context that nurtures and encourages intelligent and scientific debate allowing students to exercise creative and technical skills not regularly practiced in the traditional classroom setting through study sessions and unique events; and

**Whereas,** REPC and its Executive Board feel that a name change is both necessary and beneficial in order to better convey the goals of the club outright and its more defined direction in the future; therefore

**Be it hereby enacted,** the Engineering Governing Council (EGC) recognizes the name change of Rutgers Engineering Pi Club (REPC) to Rutgers University Science, Math and Engineering Outreach (RUSMEO).
