Forum and Reports

President's Report

Two weeks ago we went on our retreat. WOYMM-RUSA has charged all governing councils to do this to gather raw data for the RUSA meeting where the higher ups will be coming. Potential prize for the committee with the most forms. New charter for New Brunswick-student advisory committee please come talk to Christine if interested. Spoke with Dean Farris-really wants the societies to do high school outreach. RUSA-22nd will be in the visitor's center. Had a RUSA rep resign today-so there's a new RUSA rep spot open. Meal sign-aways are coming up, if your society is interested-please come talk to Christine about it.

Society Reports

Keramos-trying to fix their website. Computer labs-fixing computer labs and getting white boards. Setting up a grad student bball game.

ASCE-gen body meeting tomorrow. Catapult competition at 7:30

AICHE-undergrad director, dept. chair and seniors talked about course setup

Chi Epsilon-talked to Turner construction about BIM software, will have more info in the coming months.

MEET-career fair coming up and trip to six flags coming up.

RFR-still waiting on laser cut tubes. Regular meetings still going on throughout the week.

Annual bbq coming up-alum bought the 2005 car and took off all of the restrictions, so it goes really fast

RUSMEO-mole day coming up.

SWE-Accenture coming this week. Career fair next week-lots of big companies coming.

National conference coming up this weekend.

IIE-joint meeting with SHE-talking to P&G about internship opportunities.

AIAA-continuing to work on refurbished plane-hoping to have it flying by the end of the month. Good underclassmen turn out.

BMES-undergrad Q&A, had a good turnout. Bbq at the end of oct/begin of November

ASME-egg drop two weeks ago. Mechanical honors society-up and running again, should see new business soon. Human powered vehicle-doing well, should be done by the end of the semester. Welding class and freshmen outreach coming up.

Engineering Governing Council

*The legislative body representing the students
of the School of Engineering at Rutgers University.*

EWB-been meeting up with professional engineers for the Kenya project. Been doing fundraising for the trip. Committee meeting on weds.

MA-recently had candy sale. MS&T is coming up. First industry tour is coming up.

TBP-national convention coming up this weekend.

IEEE-planning for the rest of the semester and next semester. HS outreach during winter break.

HKN-want to invite all ECE to join the Sakai site. Please post to the Sakai site. Had info session last week. Awesome rock paper scissors competition. HKN has tutoring in ECE.

PSR-L'Oreal on Saturday and breast cancer walk on Sunday. MR. engineer again coming up on November 10th or 11th. Going to Eastern State Penitentiary this month

SPD-lost all soccer and football games. Good at golf

Internal Representative and Committee Reports

BCC-Dean Stillwagon, Jack Molenaar, and the editor in chief of the Targum spoke at the meeting.

RUSA-Jack Molenaar-again. Increased buses for the first couple weeks of the semester. Rules for parking are changing-check the website because the signs are out of date. Very little extra in budget, using that for next bus signs. Had 7 bills- WOYMM, code of ethics, special event parking, scarlet day of service, amend standing rules, supporting elections, supporting ward movement-mostly for the wards that are populated by students. Talk to nat if you have any questions.

Open Discussion *Members of the public are encouraged to speak at this time*

Open House/Rutgers Day-show what SOE and Rutgers has to offer. Please let Christine know if interested in chairing anything.

Will be a housing lottery forum-apartment signbacks and preferential housing.

Thanks to everyone who went on the retreat-it was an awesome experience and Steph is really happy and excited about how the retreat turned out.

Talk to Varun about iClicker registration if you haven't done so already.

Talk to Tom about community involvement.
