Newark and New Brunswick

## BS in ENGINEERING/MBA PROGRAM

### A Rare Opportunity

The Rutgers School of Business BS in Engineering/ MBA program is a special study plan that allows you to earn both a bachelor's degree and a Master's of Business Administration degree within five years. Normally, the sequence of degrees requires six years. This dual degree program offers you an opportunity to develop your engineering interest, as well as prepare yourself for a career in management or business.

If accepted into the program, during your Senior year, you will take four graduate evening courses towards your MBA degree which will be offered at the Rutgers Business School's New Brunswick campus. You will continue to pay undergraduate tuition rates for these courses. At the end of your Senior year, you must have successfully completed all undergraduate requirements for the Bachelor's Degree. Enrollment in the Graduate business program will begin the summer after graduation. During your fifth year, you will complete your graduate studies and receive your MBA degree.

### What To Do?

Talk with Associate Dean Fred Bernath regarding the undergraduate college general studies requirements and major requirements. [bernath@rci.rutgers.edu](mailto:bernath@rci.rutgers.edu)

Maintain a 3.2 or better grade point average.

Take the GMAT during your junior year.

Apply to the program in the spring semester of your junior year by May 1st.

Submit a letter confirming your eligibility from Dean Bernath.

*Note that it is advisable that you complete a course in calculus and another in statistics, earning "B" or better in each course.*

### Admissions Requirements:

GMAT score in the top 80<sup>th</sup> percentile.

GPA of 3.2 or better.

An application, official transcript(s) to date, two letters of recommendation, application fee, essay and a letter from Dean Bernath approving your application during the spring term of your junior year.

Personal interview with the Director of MBA Admissions.

Enrollment in Graduate business courses after your Senior year requires awarding of your Bachelor's degree from the Rutgers School of Engineering.

Please contact Rita Galen, Director of Admissions at [rgalen@business.rutgers.edu](mailto:rgalen@business.rutgers.edu) for additional information or go to <http://admit2mba.rutgers.edu> to download the RBS application.
